

Pragya Mishra

Bachelor of Computer Application | Batch 2023–27 | **CHRIST (Deemed to be University), Bengaluru**
pragya.mishra@bcah.christuniversity.in • +91 91040854366 • [linkedin.com/in/pragya-mishra-a7658041b](https://www.linkedin.com/in/pragya-mishra-a7658041b) • Bengaluru, Karnataka

PROFESSIONAL SUMMARY

Technology enthusiast and BCA (Hons) student driven by curiosity, innovation, and continuous growth. Passionate about programming and solving real-world problems through analytical thinking, with a proven ability to learn quickly and adapt in fast-paced environments.

INTERNSHIP EXPERIENCE

Christ (Deemed to be University), Bengaluru

Nov 2025 – Mar 2026

Research Intern

- Contributed to a faculty-led Machine Learning research project on *Cissus quadrangularis*.
- Built and optimised predictive Machine Learning models using research datasets.
- Performed data preprocessing, feature engineering, model training, and performance evaluation.

CodeSoft

May 2024– Jul 2024

Summer Intern

- Completed internship at Codesoft, applying problem-solving skills to develop functional digital solutions.
- Designed and deployed a fully functional calculator application and a responsive, user-friendly website.
- Analysed technical data and system metrics to uncover performance patterns and optimisation opportunities.

PROJECTS

AI Driven-Green Corridor For Emergency Vehicles | IoT, AI, Data Analysis

Jan 2025 – Present

- Developed an IoT-based traffic management system to create unobstructed corridors for emergency vehicles.
- Collaborated with the Bengaluru Traffic Police Department to validate and deploy the solution in a real-world context.
- In the process of filing a patent for the system and actively pursuing incubation funding.

Financial Management System mobile application | Kotlin to streamline

Oct 2024 – Dec 2024

- Developed an intuitive user interface in Kotlin with secure data management for efficient financial record keeping.
- Implemented expense tracking, budget planning, and transaction management features to enhance personal financial monitoring.

SKILLS

Technical: Excel (Advanced), Power BI, Python, SQL, MS Word and PowerPoint, HTML, CSS, Figma.

Domain: Research, Machine Learning, Data Analysis & Statistical Modelling, IoT Systems, Web Development.

Soft Skills: Teamwork and Collaboration, Leadership and Initiative, Emotional Intelligence, Time Management, Accountability, Critical Thinking.

Languages: English — Proficient (C1) | Hindi — Fluent | German- Conventional

CERTIFICATIONS & TRAINING

• **Public Speaking**—Swayam-NPTEL

Mar 2024

• **AWS cloud Course** — AWS.

Mar 2025

• **A backend development course for APS**— L&T.

Mar 2024

• **A training program in Internet of Things (IoT)** — Infosys Springboard

Nov 2024

CO-CURRICULAR & LEADERSHIP

Vizerion Gaming Club | CHRIST University, Bengaluru

Jun 2025 –Present

Management Head

- Led the management of a national-level IT fest, earning the Best Management System Award for operational excellence.

University Kabaddi Team | CHRIST University, Bengaluru

Aug 2024- Present

Team Captain

- Demonstrated strong leadership and decision-making by leading the university Kabaddi team in intercollegiate competitions.

ACHIEVEMENTS & AWARDS

• **1st Place – Treasure hunt competition**—Bishop Cotton Academy of Professional Management.

Jan 2025

• **Managed a national-level IT fest, winning the Best Management System award.** — Christ (Deemed to be university).

Feb 2025

• **Achieved 3 championship titles and 1 runner-up finish.** — Intercollegiate Kabaddi Competitions.

2025-2026

EDUCATION

CHRIST (Deemed to be University), Bengaluru

Jul 2023 – May 2027(Expected)

BCA — Bachelor of Computer Application | CGPA 3.5/4

Mariampur Senior Secondary School, Kanpur, Uttar Pradesh | CBSE

Class X —90.6% | Class XII— Commerce —78 %

Class X: Apr 2021. Class XII: Apr 2023
