

P B JEEVAN

BCA (Honours) | Batch 2023–27 | **CHRIST (Deemed to be University), Bengaluru**
jeevan.pb@bcah.christuniversity.in • +91 80882 27116 • linkedin.com/in/pbjeevan • Bengaluru, Karnataka

PROFESSIONAL SUMMARY

Bachelor of Computer Applications (Honours) student with practical experience in cybersecurity, full-stack development, and AI-driven solutions. Passionate about vulnerability assessment, machine learning, and contributing to secure, efficient technological ecosystems.

WORK EXPERIENCE & INTERSHIPS

CHRIST (Deemed to be University), Bengaluru

Dec 2025 – Mar 2025

Research Intern

- Contributed to 'Cognia', an AI-powered multimodal system for early dyslexia risk screening, refining the tool interface for game-based learning interactions.
- Performed data preprocessing and feature engineering on behavioural datasets, integrating Explainable AI (XAI) for transparent, interpretable predictions.

PROJECTS

Network Discovery and Vulnerability Assessment | Nmap, Nessus, VMware

Jan 2025 – Mar 2025

- Built a cybersecurity home lab and performed network discovery, port scanning, and vulnerability assessment using Nmap and Nessus.
- Documented remediation strategies for SMBv1 support, weak credentials, and unrestricted file sharing to mitigate Man-in-the-Middle attacks.

Cybersecurity Home Lab | Kali Linux, VirtualBox, Metasploit, Burp Suite, Wireshark, Nmap

Present

- Performed vulnerability assessments and exploitation exercises using industry-standard tools while documenting findings and remediation techniques.
- Strengthened practical skills through TryHackMe labs, Capture The Flag (CTF) challenges, and realistic attack simulations.

SKILLS

Technical: Python, Linux, Nmap, Wireshark, Burp Suite, Microsoft 365, Prompt Engineering, VirtualBox

Domain: Vulnerability Assessment, Network Security Fundamentals, Risk Identification, Ethical Hacking Fundamentals, Log Analysis, Port Scanning & Service Enumeration, Secure System Design Principles, TryHackMe Labs

Soft Skills: Analytical Thinking, Problem Solving, Technical Documentation, Report Writing, Team Collaboration, Communication, Adaptability, Research, Detail-Oriented

Languages: English (Professional Proficiency), Kannada (Native), Hindi (Fluent), Tamil (Working Proficiency)

CERTIFICATIONS & TRAINING

• **SEO Certified & HubSpot SEO II Certified** – HubSpot Academy

Jun 2026

• **Introduction to Cybersecurity** – Cisco Networking Academy

Mar 2026

• **SAP Certified - SAP Generative AI Developer** – SAP

Dec 2025

• **AWS Academy Cloud Foundations** – AWS Academy

Sep 2025

• **Ethical Hacking** – L&T EduTech

Mar 2024

CO-CURRICULAR & LEADERSHIP

FLUX 2025, CHRIST (Deemed to be University), Bengaluru

Sep 2024 – Feb 2025

Event Sub-Head

- Volunteered as a Creatives member and additionally organized the IT Quiz event for the national-level IT fest.

PEDAGOGIC LEAGUE 2025-26, CHRIST (Deemed to be University), Bengaluru

Jul 2025 – Sep 2025

IT Volunteer

- Maintained event records and documentation as an IT volunteer while additionally supporting the Foosball event operations.

ACHIEVEMENTS & AWARDS

• **1st Prize – Shadow Protocol (CTF) | Abhyuday 10.0** – Ramaiah University of Applied Sciences

Jun 2026

• **1st Prize – CyberX (CTF)** – IFIM School of Technology

Apr 2026

• **1st Prize – FlagFest (CTF) | Syntaxia 2026** – St. Joseph's University

Mar 2026

• Presented research papers at ICSDG 2026 and IEEE IGNITE 2026 conferences.

• Achieved 19 victories across 14 major IT Fests and Hackathons (ABHYUDAY 10.0, TECH ENIAC 2K26).

• Three-time consecutive University-level champion (2024, 2025 & 2026) in Foosball at the Pedagogic League.

EDUCATION

CHRIST (Deemed to be University), Bengaluru

Jul 2023 – May 2027 (Expected)

BCA (Honours) – Computer Science | CGPA: 3.31 / 4.0

Christ Junior College, Bengaluru

Jun 2021 – Apr 2023

PCMB | 81.17%

L R Cambridge School, Bengaluru

Jun 2021

SSLC | 87.2%
