PROFESSIONAL SUMMARY

AI Researcher at Christ University, developing an AI-powered Emergency Vehicle Traffic Detection System recognised by Bangalore Traffic Police for advancing intelligent urban mobility. Proficient in Python and AWS, with a growing focus on DevOps, Linux, cloud technologies, and automation. Passionate about building scalable, cloud-native solutions while continuously expanding expertise in modern infrastructure and DevOps practice.

INTERNSHIPS

SkillOrbit Pvt. Ltd., Bengaluru

Dec 2025 – April 2026

Intern – Business Development Executive

- Conducted market research and lead generation to identify business opportunities.
- Engaged with prospects and supported client communication and follow-ups.
- Assisted in business development strategies and sales support activities.
- Collaborated with teams to support growth initiatives.

CodSoft, Bengaluru

Apr 2024 – June 2025

Web Development Intern

- Developed Student Hub – Your Gateway to Learning, a responsive landing page on education and community engagement.
- Designed and implemented a responsive calculator using HTML, CSS, and JavaScript, showcasing strong skills in front-end development and intuitive design.

PROJECTS

Emergency Vehicle Traffic Detection System (Patent Filing in Progress) | Present

May 2026

- Developing an AI-powered smart traffic management system to create dynamic green corridors for emergency vehicles.
- Presented the solution to **Bangalore Traffic Police**, where it was recognised for its potential to improve emergency response and urban mobility.
- Building a proof-of-concept using **Python**, **IoT devices**, and cloud-ready architecture for real-time traffic signal automation.
- Integrating AI, IoT, and intelligent traffic control to enable scalable and efficient emergency vehicle prioritisation.

Tech Stack: Python • AWS • IoT • ESP32/Arduino • OpenCV • MQTT • Linux • Git • REST APIs • Cloud Computing • AI

SKILLS

Technical: AWS, Python, SQL, Linux (Beginner), Docker, Git, API Integration, IOT Protocols

Domain: Cloud Computing, DevOps, AI Research, Automation, and Infrastructure.

Soft Skills: Leadership, Communication, Time Management, Problem Solving, Adaptability, Emotional Intelligence.

Languages: English — Proficient (C1) | Hindi — Fluent | Kannada — Conversational

CERTIFICATIONS & TRAINING

• **AWS Academy Graduate** — AWS (Amazon Web Services)

Jun 2026

• **AWS Cloud Quest** — AWS (Amazon Web Services)

July 2026

• **Introduction to Generative AI** — Google Cloud Skills Boost

Apr 2025

CO - CURRICULAR & LEADERSHIP

Head of IT Quiz – Flux National Level IT Fest, Christ University | Bengaluru

March 2025

- Led the planning, content development, and execution of the IT Quiz at one of Bengaluru's largest national-level technology fests.
- Coordinated a cross-functional team and managed participation from **40+ colleges**, ensuring seamless event operations and engagement.
- Recognised for strong leadership, team collaboration, and successful delivery of a high-impact intercollegiate technical event.

IEEE Student Branch Member, Christ University

Mar 2025 – Present

- Active member participating in technical workshops, seminars, networking events, and collaborative technology initiatives.

Member, Hospitality & Management – Samagra (Computer Science Association), Christ University

Aug 2024 – Present

- Assisted in planning and executing departmental events by coordinating hospitality, logistics, and participant management.
- Collaborated with organising teams to ensure seamless event operations while developing leadership, teamwork, and organisational skills.

ACHIEVEMENTS & AWARDS

• **Secured 13+ victories** across **9 National & Intercollegiate Technology Fests**

2024-2026

- IT Quizzes, Technical Problem-Solving, Analytical Reasoning, and Emerging Technologies while competing against leading institutions.
- **Winner – Kairos 2026 National-Level IT Quiz**, recognised for outstanding performance in a highly competitive technical competition.

EDUCATION

CHRIST (Deemed to be University), Bengaluru

Jul 2023– May 2027 (Expected)

BCA Honours | CGPA: 7.93/ 10.0

St. Clare Pre-University College, Bengaluru

Jun 2021 – Apr 2023

CEBA | 91.72%

Jindal Public School, Bengaluru

Jun 2011 – Apr 2021

Class X — 87%
