

TRISTEN DSOUZA

BCA Student | **CHRIST (Deemed to be University), Bangalore**

+91-7259692025 / +974-55845549 • criticaltristen32@gmail.com • [Linkedin](#) • Bangalore, Karnataka

PROFESSIONAL SUMMARY

BCA student with internship experience in digital infrastructure and IT support, resolving hardware, software, and network issues for end users, maintained ticket documentation for recurring problems, and gained hands-on exposure to Active Directory and enterprise ticketing systems. Also built 3 independent development projects, including a .NET employee record system that improved data access and processing speed. Seeking a full-time/internship role in software development or embedded systems.

WORK EXPERIENCE

Qatar Airways, Qatar

Dec 2025 – Mar 2026

Intern- Digital Resilience & Digital Infrastructure

- Provided first-line technical support for users, diagnosing and resolving, hardware, software and network related issues.
- Logged, tracked and resolved tickets maintaining documentation for recurring issues.
- Helped new users to setup office accounts and passwords and have helped users for password resets.
- Gained hands-on access to Amedeus, Microsoft Active Directory (AD) and the in-house ticketing system.

PROJECTS

Water Scarcity Dashboard

Jun 2025 - Sep 2025

- Developed an AI-powered dashboard that monitors water data, predicts shortages, and provides timely updates through satellite maps and SMS alerts for both rural farmers and urban users.

WorkForge

Oct 2024 – Mar 2025

- Built an employee record system in .NET, improving data access and processing speed by 10%.

Streaming Application

Jun 2024 – Sep 2024

- Developed a Kotlin-Firebase streaming app with authentication and NoSQL.

SKILLS

Technical: C, C++, Java, Kotlin, Python, HTML, CSS, JavaScript, PHP, React, Node.js

Tools & Platforms: Android Studio, Visual Studio Code, Firebase, MySQL, ADB/Fastboot, Git

Soft Skills: Teamwork and Collaboration, Problem Solving, Adaptability, Communication

Domain: UI/UX, Software Engineering, Ethical Hacking

Languages: English — Proficient | Hindi/Konkani — Intermediate | German/Spanish — Beginner

CERTIFICATIONS & TRAINING

• **Android Development & Machine Learning: Kotlin, Java, Python** — Infosys SpringBoard

Jun 2025

• **Deep Learning: Keras, R, Neural Networks** — Infosys SpringBoard

Sep 2025

• **Cybersecurity** — L&T Ethical Hacking

June 2024

CO-CURRICULAR & LEADERSHIP

University (BYC) Choir: Member of the University Choir that has over 300+ members.

National Science Day: Participated in National Science Day 2023.

Volunteering: Assisted in 5+ university events in auditorium and stage management.

AfterHours Production (Theatre): Performed in various college theatre events.

ACHIEVEMENTS & AWARDS

• **3rd Place – QIC App Hackathon Challenge** – Doha, Qatar (30+ Contestants)

Nov 2025

• **2nd Place – Acapella** – Christ University (40+ Contestants)

Aug 2026
