

CHIRANJEEVI P

BCA Honours with Research | Batch 2023–27 | CHRIST (Deemed to be University), Bengaluru
chiranjeevi.p@bcah.christuniversity.in • +91 78923 04079 • [LinkedIn](#) • Bengaluru, Karnataka

PROFESSIONAL SUMMARY

Bachelor of Computer Applications (BCA) student specializing in cybersecurity, with experience in penetration testing and vulnerability assessment. Ranked among the Top 2% of learners on TryHackMe, with hands-on expertise gained through CTF competitions, security labs, and cybersecurity research. Seeking a Cybersecurity Intern role to contribute practical security solutions and strengthen organizational cyber resilience.

WORK EXPERIENCE & INTERNSHIPS

Olyv (SmartCoin Financials Pvt. Ltd.), Bengaluru Sep 2025 – Apr 2026
IT Support Intern (Cybersecurity)

- Conducted vulnerability assessments on enterprise systems using industry-standard security tools, identifying and reporting security weaknesses to support timely remediation.
- Performed vulnerability assessments on 300+ endpoints, identifying and documenting security findings to support remediation efforts.
- Coordinated patch management activities by validating, deploying, and monitoring security updates across Windows-based endpoints, improving system security and compliance.
- Assisted in deploying monthly security patches across 300+ Windows systems, achieving over 95% patch compliance.

PROJECTS

Cybersecurity Home Lab | Kali Linux, VirtualBox, Metasploit, Burp Suite, Wireshark, Nmap Present

- Built a virtual cybersecurity lab to simulate enterprise environments for penetration testing, privilege escalation, web security, and network analysis.
- Performed vulnerability assessments and exploitation exercises using industry-standard tools while documenting findings and remediation techniques.
- Strengthened practical skills through TryHackMe labs, Capture The Flag (CTF) challenges, and realistic attack simulations.

SKILLS

Technical: Python, Linux, Bash, Nmap, Wireshark, Burp Suite, Metasploit, Nessus, Networks, VirtualBox
Cybersecurity: Penetration Testing, Vulnerability Assessment, Patch Management, Network Security, Web Application Security, Privilege Escalation, Active Directory Fundamentals, Digital Forensics, Cryptography, Security Operations (SOC) Fundamentals
Soft Skills: Leadership, Analytical Thinking, Problem Solving, Technical Documentation, Team Collaboration, Communication
Languages: English (Professional Proficiency), Kannada (Native), Tamil (Professional Working Proficiency)

CERTIFICATIONS & TRAINING

- Ethical Hacking — L&T EduTech Dec 2024
- Introduction to Cybersecurity — Cisco Networking Academy Jun 2025
- AWS Academy Graduate – Cloud Foundations — AWS Academy Sep 2025
- Junior Penetration Tester Learning Path — TryHackMe In Progress

CO-CURRICULAR & LEADERSHIP

Department of Physical Education, CHRIST University, Bengaluru 2025 – 2026
Discipline Head

- Led the planning and execution of foosball events as part of the annual Pedagogic League, coordinating with faculty, volunteers, and participants to ensure smooth tournament operations.
- Managed tournament scheduling, player registrations, equipment readiness, and on-ground event coordination, contributing to a well-organized and engaging competitive environment.

ACHIEVEMENTS & AWARDS

- 1st Place – Capture The Flag (CTF) Competition — Ramaiah University of Applied Sciences Jun 2026
- 1st Place – Capture The Flag (CTF) Competition — St. Joseph's University Mar 2026
- 2nd Place – Capture The Flag (CTF) Competition — Kristu Jayanti College Feb 2026

EDUCATION

CHRIST (Deemed to be University), Bengaluru Jul 2023 – May 2027 (Expected)
BCA — Honours with Research | CGPA: 4.0 / 4.0

St. Joseph's Indian Composite PU College, Bengaluru Jul 2021 – Apr 2023
CEBA | 92.67%

The New Cambridge High School, Bengaluru | State Class X - Jun 2021
Class X — 79.36%
