PROFESSIONAL SUMMARY

Bachelor of Computer Applications (Honours) student with experience in Python programming, machine learning, and software development. Demonstrated ability to develop and test software applications through internships and hands-on projects while building expertise in Generative AI and data-driven problem solving. Seeking a Python Developer, AI/ML, or Machine Learning Engineer role in the technology industry to deliver scalable AI solutions and innovative applications.

INTERNSHIP EXPERIENCE

Zivy Applications Pvt. Ltd., Bengaluru

Nov 2025 – May 2026

Software Engineering Intern

- Developed a Slack bot to automate lead management workflows by capturing and syncing customer information directly from Slack conversations to Freshsales CRM.
- Explored workflow automation and AI-powered automation tools including Browser Use Cloud, Groq, GitHub, and Make.com to streamline repetitive business processes
- Developed and optimized features for a productivity application using Flutter, Firebase, and Python, enhancing UI/UX, implementing timer-based app-blocking functionality, and improving overall application performance and user experience.
- Utilized Power BI to analyze and visualize customer lead data, creating dashboards that supported sales tracking and data-driven decision-making.

PROJECTS

Neural Network Digit Classifier | Python, NumPy, Streamlit, Machine Learning

Jun 2025 – Jul 2025

- Designed and implemented a handwritten digit recognition system using a custom neural network architecture in Python with Streamlit for real time digit classification.

Brain Tumor Detection using Deep Learning | Python, TensorFlow, Keras, OpenCV, CNN

Aug 2025 – Oct 2025

- Developed a CNN-based deep learning model to detect brain tumors from MRI scans by implementing image preprocessing, model training, and real-time prediction using Python and TensorFlow.

Slack-Freshsales Automation Bot | Python, Slack API, Freshsales API, REST APIs

Feb 2026 – May 2026

- Built a Python based Slack chatbot that automatically captured lead details from Slack conversations and synchronized them with Freshsales CRM using API integrations, streamlining lead management and reducing manual data entry.

SKILLS

Technical: Python, Java, SQL, Git, GitHub, Linux Fundamentals, Power BI

Domain: Software Development, Object-Oriented Programming, Database Management Systems (DBMS), Machine Learning, Deep Learning Fundamentals, Generative AI

Soft Skills: Leadership, Problem Solving, Team Collaboration, Public Speaking

Languages: English — Proficient (C1) | Tamil — Native

CERTIFICATIONS & TRAINING

- Machine Learning with Python Certification** — Infosys Springboard (TechA) Jun 2025
- Google Cybersecurity Professional Certificate** — Google / Coursera Apr 2025
- Generative AI Workshop** — IISc Bangalore & PravEga 2025 Apr 2025
- Model Data with Power BI** — Microsoft Learn Mar 2024
- Design, Technology and Innovation** — SWAYAM / NPTEL Jan 2024

CO - CURRICULAR & LEADERSHIP

Department of Physical Education (DPE) – Creatives, CHRIST University, Bengaluru

Jun 2025 – Present

Creative Team Member

- Assisted in designing and creating decorative installations, props, and visual elements for university sports events and campus activities.
- Collaborate with organizing teams to enhance participation and event visibility.

SDG Cell BYC, CHRIST University, Bengaluru

Jan 2024 – Feb 2025

Member

- Supported initiatives focused on waste reduction, eco-friendly habits, and environmental conservation by encouraging student participation across the university.

Flux Hackathon, CHRIST (Deemed to be University), Bengaluru

Feb 2025

Volunteer

- Supported the planning and execution of the Flux Inter University Hackathon by coordinating registrations, assisting participants, and managing event logistics for students from multiple universities.

EDUCATION

CHRIST (Deemed to be University), Bengaluru

Jun 2023 – May 2027 (Expected)

Bachelor of Computer Applications (Honours) | CGPA: 7.37 / 10.0

TVS Matriculation Higher Secondary School, Tamil Nadu | State Board

Class XII: Apr 2023 · Class X: Apr 2021

Class XII — 82% | Class X — 86%
