

SANGEETA ARJUNSINGH DHAMI

BCA (Honours with research) | Batch 2023–27 | **CHRIST (Deemed to be University), Bengaluru**
sangeeta.arjunsingh@bcuh.christuniversity.in • +91 9620671023 • [linkedin.com/in/sangeeta-dhami-554ab932b/](https://www.linkedin.com/in/sangeeta-dhami-554ab932b/) • Bengaluru, Karnataka

PROFESSIONAL SUMMARY

Bachelor of Computer Applications (Honours with Research) student at CHRIST University with experience in AI/ML, NLP, research, data analysis, and software development. Skilled in prompt engineering, machine learning workflows, literature review, and analytical problem-solving. Experienced in conducting research, data preprocessing, model experimentation, and technical documentation. Fluent in Hindi and English, with strong attention to detail and the ability to assess complex information objectively.

INTERNSHIP EXPERIENCE

CHRIST University, Bengaluru

Dec 2025 – Present

Research Intern

- Develop machine learning and NLP audio processing models, designing experimental frameworks to evaluate speech signal outputs and ensure performance accuracy.
- Lead audio dataset collection pipelines and compiling technical documentation to maintain system reliability

Azure Skynet | Remote

Oct 2024 – Nov 2024

Python Development Intern

- Developed an algorithmic pandemic simulator utilising OOP principles, NumPy, and Matplotlib to model real-time population dynamics and analyse infection spread patterns.
- Developed secure text-processing scripts incorporating Caesar Cipher encryption/decryption modules to demonstrate foundational data security and core cryptographic concepts.

PROJECTS

BreakLoop – Mental Health Mobile Application | Kotlin, Android Studio

July 2025 – Sep 2025

- Developed an Android application enabling users to monitor screen time, maintain daily journals, and notifications for healthier digital habits.
- Designed user-friendly interfaces and integrated activity tracking functionality. Implemented local data storage and notification systems for personalized user experiences.

DeClutter – Waste Management Web Application | MERN Stack

Aug 2024 – Nov 2024

- Developed a full-stack platform managing metrics tracking, collection schedules, and administrative operations using MongoDB, Express.js, React, and Node.js. Structured relational backend APIs and engineered real-time analytics dashboards to monitor active workflows.

Envision Smart Specs – Assistive IoT Solution | Arduino, ESP32, Ultrasonic Sensors

Feb 2024

- Designed smart eyewear for visually impaired individuals to assist with navigation and obstacle detection.
- Integrated ultrasonic sensors, ESP32 camera module, and Arduino-based processing.

SKILLS

Technical: Python, JavaScript, SQL, HTML, CSS, GitHub, VS Code, LLM, Microsoft Excel, Power BI.

Domain: Data Analytics, NLP, Machine Learning, Automation, Prompt Engineering

Soft Skills: Team Leadership, Cross-Functional Collaboration, Logical Reasoning, Strategic Decision-Making, Crisis Management.

Languages: English (Professional), Hindi (Native), Kannada (Conversational)

CERTIFICATIONS & TRAINING

• **Introduction to Python** — Infosys Springboard

Sep 2024

• **Hands-On Machine Learning with Python** — Infosys Springboard

Apr 2025

• **Excel Skills for Business** — Coursera

Aug -2026

CO-CURRICULAR & LEADERSHIP

Kabaddi Player, University Team, Christ University, Bangalore

Aug 2023 - Present

Team Player

- Represented CHRIST University in inter-university and inter-collegiate Kabaddi competitions developing teamwork, leadership and decision-making.

National Cadet Corps (NCC), 2/9 Coy, Christ University, Bangalore

Aug 2023 – Mar 2026

Sergeant

- Completed 3 years of training; earned a certified '**A' Grade** in the national 'C' Certificate Examination while directly mentoring and guiding the juniors.

ACHIEVEMENTS & AWARDS

• **Certified 'A' Grade** – Basic & Advance Mountaineering Courses - ABVIMAS | IHCAE | NCC

June 2024 | Dec 2025

• **1st Place (Championships)** – Varsity Kabaddi Invitational Tournaments — Presidency, Alliance, & Jyoti Nivas Colleges

Feb 2026- March 2026

EDUCATION

CHRIST (Deemed to be University), Bengaluru

Jul 2023 – May 2027 (Expected)

BCA (HONOURS with RESEARCH) | Percentage: 77%

KLE's Raja Lakhamagouda Science Institute | State Board

Apr 2022

Class XII (PCMC)-89.8%

Devendra Jinagouda English Medium High School | State Board

June 2020

Class X - 98.8%
